Chairman's Report drew the attention of the members to the changes promulgated in the [BMFA Bulletin number 199](#). He also pointed out that flying was taking place at Albemarle on the 20th February 2011.

Secretary read out the relevant parts of the BMFA Bulletin, regarding the taking of "A" & "B" tests and "Fly bar less" helicopters. ([The BMFA Bulletin is available on line](#), or contact the Secretary who has a hard copy.)

Treasurer reported all well with the finances, £1168.70 in the account after paying the field rent. Treasurer proposed that there should be a £50 cash "float" to do away with the necessity of writing cheques for amounts as little as £1.50. Motion was seconded by the Secretary, agreed to by all present.

AOB, The club is investigating the availability of a large sports hall in Haydon Bridge. It was noted that as a result of the indoor flying, there was more interest in helicopter flying. It was suggested that looking into better integration of helicopter flying at Watch Currock be investigated.
